Aquatech品牌创立于1968年。作为水处理行业历史悠久的展览会，荷兰国际水处理展览会 (Aquatech Amsterdam) 至今已有近55年的举办历史。展会每两年举办一次，吸引超过800家企业参展与22,000人次的观众参观。

随着水资源的日益紧张、国内环保要求的提高以及工业与民用净水的巨大需求，水处理相关高质量产品、技术、服务的需求量不断增加，水处理行业正迎来巨大的发展机遇。同时在“双碳”政策的背景下，水处理行业作为实现绿色低碳目标与推动行业创新发展的关键领域，其应用涉及市政、工业、农业、服务业等各行各业，总体市场份额将快速增长，水处理技术也必须与时俱进。

Aquatech was founded in 1968. As a long-established trade fair with a 100% focus on water, Aquatech Amsterdam is a unique event in Europe with a visitor attendance of 22,000+ and over 800+ exhibitors every other year.

As the global demand for water products, technologies, and solutions rises, the water treatment industry presents immense opportunities for development. With its involvement in utility, industrial, agricultural, and service sectors, this industry plays a pivotal role in achieving environmental goals. Moreover, the continuous advancement and innovation of water treatment technology opens new avenues for progress.

展会简介

About Aquatech China

基于中国水处理、水技术行业的巨大发展空间和日益增长的需求，荷兰RAI锐昂展览集团决定，对其在华展览会Aquatech China进行全面升级，并加速该展览在亚太地区的战略布局最大化。Aquatech China 2024第十六届亚洲水技术展览会将于2024年12月11-13日在上海新国际博览中心隆重举行。展会将由荷兰RAI锐昂展览集团、锐昂展览（上海）有限公司主办。

作为一个完全专注于水领域的专业展会，Aquatech China覆盖水处理全产业链，包含净水、水与污水处理、给排水管网及泵管阀、过程控制与自动化管理等领域进行全方位展示。同时还将对水的可持续发展、水处理数字化解决方案、水资源管理、水生态修复、膜技术发展、超纯水、海水淡化、城市用水、工业水零排放、气候变化等多个话题进行深入的交流与探讨。

Based on the huge development and growing demand of water treatment and water technology industry in China, RAI Amsterdam has decided to upgrade Aquatech China, and to accelerate its strategic presence in the Asia-Pacific region. Aquatech China 2024 will be held from 11th - 13th Dec 2024 at Shanghai New International Expo Center (SNIEC).

Aquatech is all about water and solely about water: it is Aquatech's firm belief that the complexity of the challenges surrounding water and the environmental impact requires full focus worldwide. The programme includes water/wastewater treatment, transport & storage, process control technology & process automation, point of use / point of entry and other areas for comprehensive display. There will also be in-depth exchanges and discussions on various topics such as sustainable water development, digital solutions for water treatment, water resources management, water ecological restoration, membrane technology development, ultra-pure water, desalination, urban water, zero industrial water discharge and climate change.

Aquatech China 水技术创新奖

Aquatech China Innovation Award

“Aquatech China 水技术创新奖”是在中国市场特别设立的水处理领域内的专业创新大奖。每年，大奖评审团会从参展商提交的5个类别的产品中评选出一款最具创新性的技术或产品。获奖者将通过大会官方网站、社交媒体、行业媒体等获得广泛的品牌报道。获奖企业还将有机会在荷兰水展Aquatech Innovation Award的颁奖仪式上发言，并在展会现场的 Innovation Lab 区域作展示。

类别：净水、污水处理、给排水、工艺控制与自动化、绿色材料与化学品

评选标准：创意 50% + 实用性（技术性、经济性、可行性）25% + 可持续性（环境、安全、能源、效率）25%

The "Aquatech China Innovation Award" is an esteemed recognition bestowed upon the most innovative technologies or products in the Chinese water treatment market. Each year, an expert jury selects one of the most innovative technologies or products from five categories submitted by exhibitors. The winner will receive media coverage through Aquatech China's official website, social media and public media. The winner also earns the opportunity to speak at the ceremony of the Aquatech Innovation Awards during Aquatech Amsterdam and promotion in the Innovation LAB.

The award categories are: water purification, wastewater treatment, transport, process control & automation, green chemicals for water technology

The entries will be judged on 3 criteria: Originality (50%) + Practicality (technical, economical, feasibility, 25%) + Sustainability (environment, security, energy, efficiency, 25%)

About RAI

RAI Amsterdam Convention Centre is uniquely situated, a mere 5 minutes from the city centre and 8 minutes from Schiphol international airport; it even has its own train and metro stations as well as a tram stop right outside! Moreover, all of Amsterdam's cultural and nightlife attractions are within easy reach. Right next to the A10 ring road, RAI Amsterdam is easily accessible by car too. The RAI also boasts 6,250 parking spaces and its own harbour provides a direct link to the capital's historic canal system.

Personal meetings continue to be a powerful form of communication, and exhibitions are the ideal medium for connecting worlds, people and markets. With a portfolio of top brands, RAI Amsterdam Exhibitions creates inspiring events that blend context, content and communities. Dedicated teams of professionals organise over 30 national and international consumer and trade exhibitions each year, supported by a global office and agent network. Successful exhibition concepts in their home base in Amsterdam are translated for other countries in collaboration with trade associations and media parties. The focus on quality and target group has made RAI Amsterdam the market leader in a significant number of sectors. Wherever in the world an event may take place, our focus is on generating business for exhibitors, visitors, sponsors and partners.
